

Goal Development Tool

This is a goal development tool and it should be used in partnership with the skills assessment tool. Be sure that these goals and objectives are **realistic**. These goals and objectives should also be **specific**. Refer back to these goals throughout the year.

1. Please set goals for the following areas:

Activity leadership:

Games

Events

Relationship Building:

Teaching:

Faith:

2. How will you help your student intern to meet these goals?
