

## **Teaching Feeding back Form**

This is a teaching feedback form; its purpose is to give timely and specific feedback to your student intern.

What examples did the student intern use?

What was the main purpose of the message?

Were these examples consistent with the audiences learning abilities?

Did the student intern teach to multiple learning styles?

Was the message consistent with the scripture, history, and teaching of the church?

Did the student intern use any words to frequently for example umm or like?

Did the message have a logical introduction, body, and conclusion?

In what ways could this student improve their delivery?
